Dear Parents,

It's hard to believe that we're already talking about Fall programs, but the truth is that summer is flying fast and it's time to consider your plans! Faith Connection/Pioneer Club nights resume on

August 26,

and we will have a special

**Parent/Child Meeting
for Kid's Choir in the
Music Room of the Rock from 5:45-6:25.**

If you are interested in having your child participate in choir, please attend this meeting with your child. If you are unable to attend, let me know so I can make arrangements to get you important information that will be shared at the meeting.

In order to help us plan out our activities, please print and fill out this form and return it to the church office ASAP or e-mail the information to me at dennis@faithrus.org.

Thanks,

Dennis Clements
